

Radio Gets Results

We asked Mark Wyspianski of Jenmark Sound in Milford...

Why do you use First Class Radio to advertise???

“Response, out of the blue they’ll come up and say I heard you on the radio, I was listening to the Red Sox last night...the response has been just phenomenal.”

What other advertising mediums do you use to promote Jenmark Sound???

“Well we do print, but we do more radio now because we’ve found it’s more advantageous to us, and we reach more people that way.”

What do you like best about advertising on WMRC???

“The ease of doing business here, and I am amazed at the distance we get customers from, we get to towns like Bellingham, Franklin, Medway, and beyond.”

Have you enjoyed your experience working with the WMRC staff???

“The staff at WMRC is beyond question, PROFESSIONAL.”

Any other thoughts???

“I’m totally convinced that WMRC is the way to go!!!”
